GROUP 110

S I R :

Responsive to the Official Action mailed August 7, 1979,  
please amend the above-identified application as follows:

In The Claims

Cancel claims 1 through 12 and insert therefor new  
claims 13 through 31 as follows:

Claim 13. A process for detecting the presence of  
cancerous or malignant tumor cells in a cell collection, com-  
prising applying to said cell collection an anti-cancer RECOGNIN  
product, whereby said anti-cancer RECOGNIN product preferentially  
attaches to cancerous cells and can thereby be detected by  
attached visible or signal-emitting means.
